DAY 1 | THURSDAY | LONGREACH

Your Longreach Cup adventure begins today with a QantasLink flight to Longreach. On arrival at Longreach Airport, you'll be met by your Outback Aussie Tours Driver/Guide for a welcome to Longreach Town Orientation prior to check in at the Longreach Motor Inn.

After a short break, we explore the Qantas Founders Museum presenting the fascinating story of Qantas from its fledgling days in Outback Queensland to present day as Australia's national carrier. Enjoy a guided interpretive tour where you are taken behind the scenes of a Boeing 747, Boeing 707, and Lockheed Super Constellation.

As the sun sets, experience a memorable show as we watch the unforgettable narrative of early aviation, iconic aircraft, wars, distant places, and outback innovation. The Boeing 747 serves as the canvas, the story is shown through world class projection mapping and immersive sound.

This evening, we will be treated to an exclusive two course dinner in the Qantas Founders museum, before returning to your accommodation to relax into your first night in Outback Queensland. (D)

our vast nation through the museum and live encounter.

Our lunch setting today at the Drover's Place is steeped in history featuring a beautiful stone cottage and acres of native gardens.

After some free time at your accommodation, we head out to the historic Rosebank station for a paddock tour, and stories of yesteryear. Originally settled as a sheep and cattle station some 100 years ago, Rosebank was famously visited in 1959 by Princess Alexandra and Princess Alice.

Finish the day at the homestead with a savouries at sunset dinner prior to taking in the Calcutta at the Birdcage Hotel. This Calcutta event allows you to buy or be entertained by the chance of bidding and/or picking the winner of the Longreach Cup in great Longreach tradition. (B) (L) (D)
